

# MWSoA Malt Whisky Showcase

## “*Very Pleasant Surprises*” from the Whisky Awards 2009

A specially selected single malt whisky tasting presented by the Malt Whisky Society of Australia and hosted by Committee Members Craig Daniels & Nic Lowrey.

The Malt Whisky Society of Australia conducted the 2009 Whisky Awards in August with the trophies and medals awarded in September 2009 in Adelaide. We judged 52 whiskies submitted by producers and agents. We awarded 26 medals – 3 Gold, 10 Silver and 13 Bronze. To be awarded any medal the whisky had to impress a panel of 9 judges and average a score over 80/100. Of course not all whiskies are going to please all judges so Craig has put together a selection that he found both interesting and at best truly excellent. His rankings do not necessarily coincide with the overall results and he’s happy to engage on the night about why he liked these whiskies and gave them high marks. These are all single malt whiskies and there is an Australian amongst them. The Lark LD #39 was the Trophy Winner for best Australian malt and was Craig’s third highest scoring malt. The Benromach Peat Smoke was the second highest ranking malt overall and one of only three Gold Medal Winners. The Isle o Jura Superstition was awarded Craig’s Trophy or Best Value for Money.
