

TALISKER - *The Golden Spirit of Skye*

Matthew Rosenberg and Craig Daniels of the MWSOA present a distillery vertical from one of their favourite distilleries.

Talisker is a most reliable performer in the malt firmament and to have the opportunity to taste \$700 plus worth of some seriously good malts from the same distillery alongside each other is a delicious and tempting treat.

In addition, all these malts performed very well in the MWSOA Whisky Awards 2009 with the 25yo being our fourth highest scoring malt and the top ranked Silver medal. The Talisker 10 was also extremely well regarded with another solid Silver and the 18 and the Talisker 57 North both scored bronze. The Talisker 18 has been rated much higher than our panel assessed it so please come along and see what you think.
